10. *Prior Year Base Revenue Hold Harmless.* Specify that the prior year base revenue hold harmless adjustment under revenue limits would not apply to the calculation of revenue limits in 2009-10 or 2010-11.

School District Operations

11. *QEO Repeal and QEO-Related Provisions.* Adopt Alternative A1 in Paper #330 to repeal the QEO provision, but modify the effective date of the repeal to July 1, 2010. For school district collective bargaining agreements that begin on or after July 1, 2009, and that are not settled on the effective date of the bill, provide that until July 1, 2010, interest arbitration on unresolved economic issues would only be permitted if consented to by both the school district employer and the collective bargaining representative. In addition adopt Alternative B1 in Paper #330.

Provide that the following Alternatives in Paper #331 would be adopted and take effect on the effective date of the bill: A1, B1, and C1.

12. *Transportation for Pregnant Students.* Require that school districts offer transportation for a pupil who lives less than two miles from the school building the pupil is entitled to attend, if the pupil is pregnant.

13. *Parent Contracts for Pupil Transportation.* Provide that, for purposes of parent contracts to provide transportation to private school pupils, if two or more pupils reside in the same household and attend the same private school building, then a contract with the parent or guardian of the pupils may, at the discretion of the school board, provide for a total annual payment for all such pupils of not less than \$5 times the distance in miles between the pupils' residence and the private school they attend, or the school district's average cost per pupil for bus transportation in the previous year, exclusive of transportation for kindergarten pupils during the noon hour and for pupils with disabilities, whichever is greater.

Milwaukee and Racine Charter Schools

14. *Charter School Established by an American Indian Tribe.* Permit a school board to enter into an agreement with a federally recognized American Indian tribe or band to establish a charter school. Provide that the school must be located within the school district or within the boundaries of the tribe's or band's reservation. The school board that establishes the charter school would be responsible for determining whether the charter school is an instrumentality of the district, for administering the statewide pupil assessments to pupils enrolled in the charter school, for specifying criteria for grade promotion and high school graduation for pupils enrolled in the charter school, and for ensuring that all instructional staff of the charter school hold a license or permit to teach issued by the Department of Public Instruction.

Categorical Aids

15. *Grant to Global Academy.* Provide a one-time grant of \$50,000 GPR in 2009-10 for a consortium of seven school districts in Dane County, known collectively as "the global academy," to support program planning and development.
